GVX

Grandview Crossing, also known as GVX, is more than just a place to live and work; it's a community where you can thrive. With beautifully landscaped grounds (including an intimate pocket park), ample parking, and easy access to public transportation, we provide a convenient and enjoyable environment for everyone. Please visit our community management office to schedule a tour and hear more about this awesome project.

OUR FEATURES

Office Space: We currently offer cutting edge office space. Whether you're a burgeoning startup or an established company, GVX provides the ideal setting for your business to grow.

Apartments: Live in style and comfort just outside downtown, in our beautifully designed apartments. Offering a range of options to suit all needs, our residential spaces have a contemporary feel with modern amenities - making for a vibrant community atmosphere.

Market: The Little Grand is a one-of-a-kind food hall, and one of the most special parts of our community. Boasting ten local vendors offering global flavors, and two bars, this is a must for any foodie or beverage connoisseur. The market also has an outdoor patio connected to our pocket park, complete with a stage and other land activities. The market also offers private events, concerts, and a weekend market that are all sure to have you coming back, again and again.

Cafe: Enjoy a break with a delicious coffee or light bite at Bada Bean Bada Booze. With a cozy, fun atmosphere, it's the ideal place to unwind, socialize, or catch up on work.

Gym/Fitness: Maintain your health and wellness at our state-of-the-art community gym, The Athletic. Offering 24/7 access for members, a wide variety of classes, personal training, and top-notch equipment. The Athletic caters to all your fitness needs and is sure to be your new home gym.
